Whereas Statements

WHEREAS Senator Thune successfully led efforts to confirm all twelve of President Trump's Cabinet nominees; and

WHEREAS Senator Thune kept the Senate in session for one of the busiest schedules in 40 years, clocking a historic number of votes to push through hundreds of the president's civilian nominees and clear the confirmation backlog; and

WHEREAS Senator Thune worked with President Trump to pass the Big Beautiful Bill, as well as the Working Families Tax Cut, which prevented the largest tax hike in U.S. history; and

WHEREAS Senator Thune has championed Secure America Act legislation to secure the border by leading efforts to pass a three-year funding package for Immigration and Customs Enforcement (ICE) and Customs and Border Patrol;

Therefore Statements

THEREFORE we urge Senator Thune to continue his track record of successes by doing everything in his power to continue efforts to pass the SAVE America Act, which requires all Americans to provide documentary proof of U.S. citizenship when registering to vote, as well as implementing a strict photo ID requirement for casting a ballot in federal elections; among other things that will insure America's elections are safe, secure and accurate.
